NOTES FROM FR. CARL.....

What a playoff game last Sunday against the Dallas Cowboys. It is an exciting time for the Green Bay Packers. With that said, it brings to mind a saying the great Coach Vince Lombardi said when asked of his priorities. He said, "God, family, and the Green Bay Packers...in that order". As we have our Confirmation of some of our High School students this weekend let's keep that saying close to our heart. Please pray for our confirmation students as they will be confirmed at the 5:00 Mass this Sunday. Come to the Mass or take a break from the game and say a quick prayer for them and your family, thanking God who gives us everything we have...including the Green Bay Packers!

Blessings,

Fr. Carl

From the Principal

Mrs. Spaude invited me to the Kindergarten classroom before Christmas to hear the birth stories of her students. The Kindergartners had been talking about Advent: a time to prepare, wait and anticipate the birth of Christ. They learned that just like Mary and Joseph prepared for the birth of Jesus, their own parents prepared for their own births. Mrs. Spaude had each student stand and then she read (from a short note from home) how each family prepared for the birth of their child. Each student glowed with pride at the special things that were shared, and Mrs. Spaude concluded each story with the phrase that each Kindergartner was a special gift from God to their family, just as Jesus is a gift from God to us.

I wrote about this in our school newsletter, and I wanted to share this "God moment" with you. I try to keep a look out for God moments in my day, things that happen that reaffirm that God is with us at all times, and this definitely was a God moment. As we begin our journey into ordinary time, I encourage you to look for God moments. It seems easier to see the special gifts of God around us during Advent and Christmas, but if you keep your eyes open you will see them each day.

And when you do, celebrate those moments, and I think it will help keep the season of Christmas in our hearts year round.

Mrs. Hartl

Christmas Concert

St. John Bosco celebrated the Christmas season with our Annual Christmas Concert. Grades 4K – 8 sang traditional carols and new favorites like "I want a Hippopotamus for Christmas". The 5&6th and 7&8th bands also performed to standing room only crowds. It was a wonderful way to share the spirit of the season and the gifts that are our students!

Annual School Fund Drive

Our 2014-2015 Annual School Fund Drive: Building the Church through Catholic Education is off to a wonderful start! As of January 13, we have received \$44,065 of our \$60,000 goal. Thank you for your support and dedication to Catholic education. Our fund

drive continues until the end of February so there is still time to make a donation.

Volunteer Opportunities

We are in need of Lunch/Noon Recess Supervisors. If you love children, are Virtus trained, and feel

comfortable being outside for 20 minutes in brisk temperatures around lunch time, please contact Mrs. Alberts in the school office at 743-4144.

Transitions

Happy/Sad News for St. John Bosco

St. John Bosco is losing one of our most valuable resources. Ken Van Straten, our maintenance and janitorial staff, retired January 14. Ken is looking forward to spending quality time with his wife, Sally, at their new home in Green Bay. Ken has been a blessing to our school for 17 years. Although we will miss him terribly, we wish Ken great happiness on his next adventure. Thank you Ken for your dedication and service to our school!

We are wishing well another St. John Bosco staff member. Marcia Egeland retired from her position as Technology Teacher on December 17. Mrs. Egeland suffered a heart attack in October. Her recovery is going well, but she decided that she

wanted to focus more on her children, grandchildren, and staying healthy to enjoy them. We wish Mrs. Egeland joy and blessings as she begins a new life journey. Thank you, Mrs. Egeland for 16 years of dedication and commitment to Catholic Education.

Chili Cook-Off

We are "spicing" up Catholic Schools Week and need your best chili recipe! You know the one...all your friends and family RAVE about it! If you would like to enter your Chili into our Chili Cook-Off please email your contact information to Sara Paye, payes2counsel@yahoo.com, or call the school office at 743-4144 by Wednesday, January 21.
