NOTES FROM FR. CARL.....

I hope everyone's summer is going well and you have been able to take time for family and friends. Many people take family trips during this time of year. In our gospel this weekend Jesus instructs his disciples

to take a journey also. The difference here is that they are instructed to take nothing for the journey.

I was away this past week at a seminar at Notre Dame and I took many things along! I could not imagine starting my journey with no cell phone, change of clothes, credit card, toothbrush and other items I consider necessary to survive!

I believe the real issue here is that we make sure with all we take on a journey or vacation that we take Jesus along too!

A reminder of the Holy Name of Mary Parish Picnic next Sunday July 19th starting with Mass at 10:00. Hope to see you there!!

May your summer days be safe and the Lord continue to guide and protect you.

Have a blessed week! Fr. Carl

FROM THE DEACON'S DESK.....

This past weekend Cathy & I had the joy of spending some time with our grandkids; pre-teen girls, 11 months apart. Ah, sibling rivalry! We took the opportunity to reminisce and share with them stories of growing up with our brothers and sisters. In the scriptures there is mention of Jesus brothers and sisters which often raises the question; did Jesus have siblings? In the Hebrew culture and language, brothers and sisters had a broad meaning and could mean cousins, half-brothers or any number of relatives. Many biblical scholars conclude that Joseph may have had children with another wife previous to the birth of Christ. This view of Jesus family validates the Catholic Church's doctrine of a virgin birth through our Blessed Mother. Ultimately we are all brothers and sisters in Christ and children of God. Enjoy each other this summer!

God bless, Deacon Ray

AUGUST 13TH! Mission Trip Stock Holder's Dinner! PLEASE be there! Spaghetti (homemade sauce), desserts, and most importantly you will hear all about their life-changing mission trips to Mississippi and Appleton! Even if you were unable to support the trip financially, come! ALL ARE WELCOME! This will take place at 6pm at St. Joseph.

Our middle school students leave on Monday (the 13th) for their mission trip to Appleton! We are SO excited! We are working at two different work sites:

We will be serving at Homeless Connections and Riverview Gardens. Both sites focus on ending poverty and homelessness by educating and empowering people. When you come to the Stock Holder's Dinner in August, you'll hear more!

Weekly, some of our high school students have been part of a men/women bible study/devo. Amazing! We meet at different times/dates to accommodate students, so if your high school son or daughter would like to know more, have them contact Sarah! We would love to have more be part of these devos!

THE WAY is a powerful and inspirational story about family, friends and the challenges we face while navigating this ever-changing and complicated world. Martin Sheen plays Tom, an irascible American doctor who comes to France to deal with the tragic loss of his son (played by Emilio Estevez). Rather than return home, Tom decides to embark on the historical pilgrimage "The Way of St. James" to honor his son's desire to finish the journey. What Tom doesn't plan on is the profound impact this trip will have on him. Through unexpected and oftentimes amusing experiences along "The Way," Tom discovers the difference between "the life we live and the life we choose."

Inexperienced as a trekker, Tom soon discovers that he will not be alone on this journey. On "The Way," Tom meets other pilgrims from around the world, each with their own issues and looking for greater meaning in their lives: a Dutchman (Yorick van Wageningen), a Canadian (Deborah Kara Unger) and an Irish writer (James Nesbitt), who is suffering from a bout of writer's block.

From the unexpected and, oftentimes, amusing experiences along "The Way," this unlikely quartet of misfits creates an everlasting bond and Tom begins to learn what it means to be a citizen of the world again. Through Tom's unresolved relationship with his son, he discovers the difference between "the life we live and the life we choose."

Written and directed by Emilio Estevez, The Way movie was filmed entirely in Spain and France along the actual Camino de Santiago.
