Your Support

With your financial support, we will make the Father Tony Birdsall Prayer and Reflection Garden a reality. The Prayer and Reflection Garden is planned on the site between the church and the parish center. The garden is designed to promote a quiet prayerful time throughout the site as you stroll to each of the 14 Stations of the Cross.

Memorial Donations

Are you and your family interested in a memorial donation to support the construction and maintenance of the Prayer and Reflection Garden? Memorial donations are being accepted as outlined below.

As a Benefactor of the Fr. Tony Birdsall Prayer and Reflection Garden, your donation of \$10,000+ will include a black granite bench with family inscription placed at one of the 14 Stations of the Cross. Your donation will also include a family listing on a gold memorial plaque to be erected at the entrance of the garden.

As a Patron of the Fr. Tony Birdsall Prayer and Reflection Garden, your donation of \$3,500+ will be noted on a gold plaque within the Holy Rosary designed garden. This rose garden will be personally attended to by Fr. Tony Birdsall and will feature numerous varieties of roses throughout the garden area.

A gold memorial plaque to be placed on the Memorial Wall is available. The 8 x 10 inch gold plaque will be inserted into our memorial wall on the east and west side of the garden for a donation of \$500.

If you or your family would like to make a landscaping donation to the Fr. Tony Birdsall Prayer and Reflection Garden, numerous trees/blooming bushes are planned throughout the garden. A memorial gold plaque will be erected near the tree/bush showing the family of the memorial donation of \$250.

If you have additional questions, please contact Fr. Carl Schmitt at 920-743-4716 or Pastoral Council President Bill Sauve at 920-746-7656 for additional information concerning the Prayer and Reflection Garden. Thank you for your interest and support of the Fr. Tony Birdsall Prayer and Reflection Garden.
