NOTES FROM FR. CARL.....

We sure have had a cold week! I am hopeful the parents that have enjoyed their school children home for the Christmas break enjoyed a little more time with them!!

This weekend we celebrate the Baptism of the Lord. We as faithful Catholics start our ministry as disciples the same way Jesus did, by being baptized in the Name of the Father and of the Son and of the Holy Spirit. May we take our baptismal call seriously in spreading the Good News of Jesus to people we meet and by kind and caring actions bringing joy and peace to our world.

Please pray for Tucker Ryan Noesen who was baptized this past weekend and his parents Kevin & Andrea.

Blessings, Fr. Carl

FROM THE DEACON'S DESK.....

As we celebrate the Baptism of Our Lord, some people may wonder about what Catholics believe as far as baptism goes and why we baptize babies and not only adults like some of our protestant friends.

We recognize as a valid baptism all Christian faiths that use the Trinitarian formula, i.e. "I baptize you in the name of the Father, and of the Son, and of the Holy Spirit". As far as infant baptism, we believe that we are all born with original sin and that baptism frees us from this obstacle. Parents and Godparents speak for the child at baptism. As with all things, they want the very best for their child, in this case salvation!! God bless, Deacon Ray
