Missionary Cooperation Plan/ Appeal Collection

Next weekend we will have this second collection, so please use the white envelopes provided in this bulletin or in your pews. Each year the Catholic Diocese of Green Bay receives over 200 applications from mission organizations to participate in this program; of these, 38 groups are invited. In our diocese, receipts from all the parishes are pooled and then divided equally among this selected group. We use this fair-share system to enable our missionary speakers to go to less populated parishes in our diocese without fear of receiving less income. For this reason, we ask that you do not contribute directly to your mission appeal speaker, or the organization represented. Each of the 38 groups have been selected carefully, based on their needs & concerns. The Missionary Cooperation Plan is conducted by the Catholic Foundation on behalf of the Diocese of Green Bay. Thank you for your support and prayers for the Missions.

NOTES FROM FR. CARL.....

I was away this past week and had a very relaxing time. Again, thankful to Fr. Birdsall for covering things while I was gone.

This weekend is the Feast of Corpus Christi. The foundation of our Catholic faith is in the Body and Blood of our Lord Jesus Christ. Everything we do should be focused on the Eucharist. We are to become "Eucharistic people" offering our lives in service to one another, living and doing everything for the glory of God. Have a blessed week! Fr. Carl

FROM THE DEACON'S DESK.....

Happy Parish Feast Day! Today we celebrate Corpus Christi Sunday. Corpus Christi is Latin for 'Body of Christ'. This weekend we commemorate the institution of the sacrament of the Eucharist, - Jesus giving us his very own body and blood for our salvation. Jesus instituted this sacrament at the last supper on Holy Thursday, but the Lord's passion that night suppresses the rejoicing that would be proper to the occasion. Today's observance, therefore, accents the joyous aspect of Holy Thursday. A Corpus Christi feast day tradition that is fading is Eucharistic processions. This involves processing through the church or through the streets with Jesus (in the form of the host) carried in a monstrance. Today we celebrate Jesus' real presence. May Jesus be truly present in all of our lives! God Bless, Deacon Ray

Lighthouse CD: Confession

Based upon his proven and powerful parish mission presentation, Fr. Larry Richards' talk on Confession has become the #1 talk in North America dealing with one of the Catholic Faith's most misunderstood Sacraments. He is riveting, honest, very human, often touchingly gentle, and yes, even humorous, and provides listeners with hope for a closer, healing relationship with Jesus Christ.

Parents enlist youth for ministries

Through Discípulos de Cristo program, St. Willebrord families put faith into action

BY SAM LUCERO | FOR THE COMPASS

GREEN BAY — Juanita Fiscal and her husband, Julio Zúñiga, enrolled in the Discípulos de Cristo lay formation program, sponsored by the Diocese of Green Bay, three years ago. As members of St. Willebrord Parish, they wanted to learn more about their faith.

"We were lacking so much knowledge about our Catholic faith, especially about the Mass," Fiscal said in an interview with The Compass. "We are here almost every Sunday, and not knowing exactly what was happening or the meaning of certain things — that was embarrassing."

Juanita said the program not only taught them all about the Mass, it inspired them to start a youth program with other parents at St. Willebrord, "Amigos de Jesus" (Friends of Jesus), to help children learn about the Mass and participate in liturgical roles.

As part of the Discípulos de Cristo program, participants are asked to return to their parishes and find a way to put their faith into practice. "We noticed that we needed some type of program that would

bring those kids who made their first Communion" back to church by getting them involved in Sunday liturgies, said Fiscal.

"Another person said, 'What if we also teach those kids the sequence of the Mass, like everything that happens during the Mass?'" she noted. While this is covered in religious education classes, they wanted to go more in-depth, Fiscal said.

Norbertine Fr. Andrew Cribben, pastor of St. Willebrord Parish, said he is delighted to have the parents take an active role in preparing their children for Mass and getting them involved in the liturgy.

"Juanita and her collaborators from Discípulos de Cristo ... wanted to use their growing knowledge of the sacraments, theology and their spirituality for the good of others," he said.

"They had heard my desire, as pastor, that the children might be more attentive and participative at the Eucharist. The group prepares the children first to know and appreciate the Eucharist, and then to know and fulfill the ministries of reader, usher, greeter, singer and member of the assembly."

SAM LUCERO | THE COMPASS

FRANKLY, FRANCIS

I hope that the Lord bestows on Christian families the faith, freedom and courage necessary for their mission. If family education rediscovers the pride of its leadership, many things will change for the better, for uncertain parents and for disappointed children.

It is time for fathers and mothers to return from their exile — for they have exiled themselves from their children's upbringing — and to fully resume their educational role. We hope that the Lord gives this grace to parents: to not exile themselves from the education of their children. And this can only be done with love, tenderness and patience.

Human trafficking a local problem: Oshkosh parishes host presentation

BY JAYE ALDERSON | FOR THE COMPASS

OSHKOSH — Horrific stories about human trafficking and children forced into prostitution often bring to mind desperate situations in countries such as Cambodia or India. And while help in foreign regions is urgently needed, perhaps even more disturbing is that situations just as horrifying are happening every day in the United States and northeastern Wisconsin.

That was the message of Lisa Sennholz,

founder and director of the support organization Damascus Road, and Elizabeth, a former victim, who spoke May 17 at St. Raphael the Archangel Church. The event was sponsored in collaboration with all of the Oshkosh parishes.

It is estimated that 30 million people are being held and abused against their will around the world today, Sennholz said. Two hundred of those victims are thought to be right here in Wisconsin.

"The United States is the second-largest receiving country (of abducted women and

girls for the sex trade) in the world and we are second only because the countries in Europe are counted as one whole," Sennholz said.

"There are more strip clubs in Wisconsin than in the state of Nevada," where brothels are legal in some areas, she said. "Even though you don't see human trafficking with your own eyes, it's happening right here in Oshkosh through online exploitation, hotels and motels, strip clubs and families," she said.

Our full story appears in the May 22 issue.

5 THINGS YOU SHOULD KNOW

About the feast of Corpus Christi

1 The Feast of the Most Holy Body and Blood of Christ is perhaps better known as Corpus Christi, Latin for "The Body of Christ." This year the feast is June 4.

2 Corpus Christi traditionally falls 60 days after Easter. In Rome, it is always celebrated on Thursday.

3 The feast dates the efforts of a Norbertine nun in Belgium, St. Juliana of Liege. Through a series of visions and private revelations in prayer, the Lord inspired St. Juliana to promote a feast to celebrate the Blessed Sacrament. She faced much opposition in her homeland and died in 1252.

4 The first Corpus Christi feast was celebrated in 1261. In 1264, Pope Urban IV ordered it to be celebrated by the universal church.

5 Several traditions surround the feast, including eucharistic processions to temporary street shrines around a town, floral street carpets (tapetes) and flower wreaths.

AN INVITATION TO EVANGELIZATION

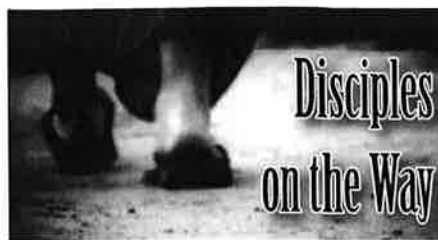

Bishop David Ricken

In the late 1600s, French missionaries brought the Catholic faith to this part of the world. Since then, the faith has grown and taken root in a beautiful way. In 2018, we will mark the 150th anniversary of the Diocese of Green Bay. In looking forward to marking that special anniversary, we are grateful for the call of Pope Francis to recommit

to our efforts at evangelization.

With this in mind, we entrust our work to Our Lady of Good Help who herself had a message: "Teach them their catechism, how to sign themselves with the sign of the cross, and how to approach the sacraments; that is what I wish you to do. Go and fear nothing. I will help you."

We ask Our Lady of Good Help to be the patroness of our efforts in the new evangelization in the Diocese of Green Bay. "Through her many titles, often linked to her shrines, Mary shares the history of each people which has received

the Gospel and she becomes a part of their historic identity." (*Evangelii Gaudium* #2868)

I invite you today to enter in fully now with the diocese and with the parishes over the next six years; to truly become holy, engaged in Christ and in the church and alive in the mission of evangelization. May our journey, outlined in this mission map, help us on our way. May it renew our relationship to Christ in our prayer, may it help to form us into disciples, and may it deepen our sense of mission that we know is so vital for the faith to continue to grow and flourish. As we have been praying, so we continue to pray: "Lord, make us holy, fully engaged and fully alive."

Next month: The Catholic household as a home of prayer and love.

Hortonville parish youth collect more than 3,200 pairs of shoes

STEVE WIDEMAN | FOR THE COMPASS

HORTONVILLE — Images of Haitian children wearing crushed plastic water bottles tied to their feet with string in lieu of shoes shocked 17-year-old Alysha Werner.

"It definitely shocked me. It seems so inhumane," said Werner, a junior at Hortonville High School and one of scores of youth from Ss. Peter and Paul Parish collecting thousands of pairs of shoes for residents of Haiti, Africa and the Philippines.

The shoe collection effort is part of the

faith formation global outreach program at Ss. Peter and Paul. Students driving the shoe collection are members of the parish, but attend Hortonville public schools.

As of May 17, students collected more than 3,200 pairs of shoes, surpassing their goal of 2,500 pairs. The collection continues through the end of the month.

"I generally don't have a lot of shoes, but I donated two pair that are getting too small for me," Werner said. The shoe collection effort has drawn interest not only from parish, but from the Hortonville community.
