

From the Principal

Why Catholic Education?

Now, more than ever, the world needs what a Catholic School has to offer.

So, it's time to tell everyone what we're about.

What makes a Catholic education special: the high standards, the moral foundation, faith development, and the positive, compassionate energy our society needs right now.

We begin with our country's heritage. Going back to 1634, when Maryland was settled as a refuge for English Catholics. Going back to 1789, when the Archdiocese of Baltimore was established as the first Catholic diocese in the United States. To 1810, when Saint Elizabeth Ann Seton laid the foundation for the Catholic school system in the United States by opening her school for girls in Baltimore. And to 1829, when Mother Mary Lange founded America's first Catholic school for girls of color.

That spirit of education has been in our hearts ever since, and it's played out at St. John Bosco every day. Here, every student is valued. Learning is celebrated. Faith is strengthened. And we provide the rigorous, advanced education that our children need.

St. John Bosco was founded in faith. We help students realize the full potential of their God given abilities. Bringing Christ's message of service to others above self; the promise of eternal life that raises Catholic education to a higher level.

We also rise to the high standards of instruction in today's world

demands, particularly in reading, math, science and technology.

And to do all of that in a way that no one else could claim: an identity that could only be St. John Bosco.

Our school challenges students and teachers to go beyond the status quo and exceed expectations.

We are "Committed to Excellence".

We are St. John Bosco.

First Day of School

The first day of school for St. John Bosco was Friday, September 1. We had excited students and staff ready to begin a new school year!

Box Tops and Econo Food Receipts

St. John Bosco School does collect Box Tops for Education and Econo Foods receipts. These monies help our school, so please continue to save them. We appreciate your support of the school.

Golf Outing

St. John Bosco School held its 4th Annual

Golf Outing on Monday, August 7 at Horseshoe Bay Golf Club. We had 108 golfers – the most to date. Thank you to the many sponsors, golfers, and volunteers, especially David Weber, that helped make this year's golf outing another record breaking success. The weather was beautiful and those that attended had a wonderful time.

Congratulations to the numerous winners at our golf outing! Jacob Schilz won the 4 Packer tickets. First-place finishers were:

- First-place Men's: Tom Metivier, Ben Fauske, Jeff Schommer, and Kurt Rebholz.
- First-place Women's: Christine Parent, Sue Weber, Marie Kubitz, and Penny Beerntsen.
- First-place Mixed: Tim Zolper, Ann Zolper, Mike McKenna and Jeanne McKenna.
- First-place Peoria: Barth Guilette, Cap Wulf, Larry Meehan and Bill Munday.

Our hole contest winners included:

- Lyn Johnson – Hole #1, Longest Drive (Women)

- Sue Weber – Hole #18, Longest Putt (Women)

Mark your calendars for next year's Golf Outing on August 6, 2018.

New Staff at St. John Bosco

There are a few new faces here at St. John Bosco.

6th Grade – Miss VanArman

My name is Miss VanArman and I recently relocated to Sturgeon Bay from upstate New York. I have been teaching middle school English Language Arts for ten years. Throughout my teaching career, I have been involved in many aspects of my school and community, including drama club,

running club and National Junior Honor Society, to name a few. Outside of school, my interests include running, hiking, traveling, and spending time with my friends and family. I am very excited to join the St. John Bosco school family and I am looking forward to an exciting 2017-2018!

Physical Education – Mr. Jahn

My name is Tyler Jahn and I'm excited to be a part of St John Bosco School. I will be teaching Physical

Education and Technology for the 2017-2018 school year. Although this is my first year here, it will be my 17th year teaching.

To start off, I would like to tell you a little about myself. I'm originally from Appleton and went to college in La Crosse. I then went on to get my Masters in Technology in Education.

My wife, Beverly and I have one son named Elliott who is 8 years old and a daughter Gwendolyn who just turned 7 years old. Our family loves to go biking, hiking, camping and building forts at home with blankets and chairs. We just recently went on a vacation across the US in an RV to see Mickey Mouse at Disneyland. Along the way we saw LOTS of wonderful things and took thousands of pictures. Some highlights were the Rocky Mountains, Arches National Park, camping on the ocean beach, Yellowstone National park and then Mt. Rushmore.

I look forward to spending this year learning and growing with everyone. school year!

4K – Mrs. Kacmarynski

Teaching is an absolute passion of mine! I am so excited to work at St John Bosco. It's going to be a year full of fun, learning,

and lots of adventures. I can't wait to see what the year has in store!

I am married to my wonderful husband, David. In 2014, he retired from the United States Air Force. We had many exciting adventures, living in five different states, during my husband's military career. We have a son, Caden, who is a sophomore. He loves playing football. Ella, our daughter is in 8th grade. Her favorite things to do are play soccer, basketball, and hang out with friends. Our youngest son, Reid, is in 4th grade. He loves to make everyone laugh and likes playing all sports, especially baseball.

I taught kindergarten in Arizona for two years. In Colorado Springs, I taught fifth grade and middle school religious education at Divine Redeemer Catholic School. My husband travelled a lot for the Air Force and was deployed to Afghanistan. Substitute teaching became my passion with three children and a busy husband. I substitute taught in Omaha, Nebraska, Dayton, Ohio, and I just finished three years of long term subbing at Sevastopol School.

I grew up in Door County and went to SS Peter & Paul Catholic School and Sevastopol High School. I absolutely love traveling, meeting new people, and living all over the United States. But, home is where my heart is. After 22 years away, we moved back to Door County.

I love teaching children! It is my mission to instill a love for learning in my students. I am thrilled to start the 2017-18 school year at St. John Bosco. I feel blessed to have the opportunity to work with a wonderful community!
